PRESIDENT'S MESSAGE

Congratulations to all the students and families of the graduating class of 2024! This is such an exciting time for you, and I wish you all the best in your future adventures. I hope your summer includes time for travel and family time. I know mine does! We still have two weddings to attend on the mainland this year.

Great news about one of my favorite events. Movie by the Pool is back at Rec 1 with Trolls, Band Together in June, and Kung Fu Panda 4 in July (see page 15). I can still remember my first Movie by the Pool. The movie was Frozen! I was just blown away by just how great the whole event was.

Speaking of fantastic MTA events, I attended the Food and Music Showcase on June 1st at the Rec 7 Pavilions. What a fabulous event! The food was just amazing, the live music by Mark Yamanaka was magical and the people were so much fun. There was food from Roy's Ko Olina, The Pig and the Lady, Rice Box Café, Peace Café, T8ste Buds, Dipped by Dee, and Lanikai Mochi! We have held this event in the past, but I have to say that I feel like this one was the best yet. There were some light sprinkles but for the most part, the weather was good. As usual your MTA staff was courteous and professional. From the check in to the wine and beer tasting to the housekeeping, they were on it all night. I was so proud of them! Lucky we live Mililani!

I hope you have a safe and fun summer. If summer travel is in your future, I wish you safe travels. If you are staying home and making use of our wonderful rec centers, please enjoy! Either way, enjoy your summer!

Aloha,

Bob Barrett

REGARDING E-BIKES ON MTA PROPERTY

We are receiving frequent calls from members regarding e-bikes destroying the landscaping in Ravine Park, as well as near misses with pedestrians, and confrontations and obscene gestures aimed at people who point out they aren't allowed in the park. Large rocks have been placed along with temporary fencing to prohibit the e-bikers from destroying the hillside, but they have been recently moved or destroyed. E-bikes are not allowed in MTA parks/open spaces.

MTA is working with HPD, and e-bike riders caught in the parks are being issued trespass warnings. If caught a second time, they will be arrested for trespassing.

E-BIKES ARE NOT ALLOWED IN MTA PARKS/OPEN SPACES.

DAMAGE TO RAVINE PARK LANDSCAPING

THE FOLLOWING LAWS PERTAIN TO E-BIKES:

§291C-143.5 LOW-SPEED ELECTRIC BICYCLES; OPERATOR AGE. No person under the age of fifteen shall operate a low-speed electric bicycle as defined under title 15 United States Code section 2085. [L 2019, c 208, §1]

§291C-145 RIDING ON ROADWAYS AND BIKEWAYS. (g) No person shall ride a bicycle equipped with a motor on any sidewalk.

So essentially, anyone under 15 years old riding an e-bike is breaking the law, as is anyone riding an e-bike on a sidewalk.

MESSAGES FROM ELECTED OFFICIALS

A Message From SENATOR DONOVAN M. DELA CRUZ

Sine die, marks the conclusion of the 2024 legislative session. I'm pleased and excited to share that significant progress was made by the legislature during this session!

We successfully prioritized critical initiatives like Career and Technical Education (CTE) initiatives and supported local farmers while addressing other Statewide needs... Some of these needs included addressing three new major challenges without painful cuts to existing state programs and priorities:

1. West Maui Wildfire recovery and future wildfire prevention and management;
2. Hazard pay for state workers who reported to work in-person during the covid pandemic while the emergency proclamations were in place; and
3. A comprehensive funding package to address biosecurity and invasive species to protect both our residential homes and agricultural production.

We were able to accomplish this because of a modestly favorable outlook from the Council on Revenues, eliminating long-vacant state positions, and a careful approach to new appropriations. Despite these large appropriations, there remains an adequate level of carryover in the financial plan to cushion against changes in the economic forecast.

Mahalo to my colleagues in the Senate and counterparts in the House for their collaboration in crafting a budget that drives regional economic development and foster communities where residents can live, work, thrive, and play.

The state's supplemental budget includes an operating budget of \$10,395,945,997 in general funds and \$19,209,528,184 through various funding methods, along with a capital improvement projects budget of \$1,452,550,000 in general obligation bond funds and \$4,505,451,000 through all methods of funding. \$10 million (operating) and \$20 million (capital improvements) in grants in aid are also included in this year's budget which underscores the state's commitment to helping our local community partners in meeting the needs of our most vulnerable populations including kupuna, education, and social services.

Another key highlight for this legislative session was our work to address biosecurity in our State. This includes nearly \$20,000,000 appropriated to address the on-going crisis that many in our Central Oahu community are facing with the Coconut Rhinoceros beetle (CRB) and the Little Fire Ant (LFA) HB2619 is also forward-thinking, giving the Department of Agriculture (DOA) additional authority and powers to lead our efforts to addressing our current challenges but also preparing for the next threat. Biosecurity is critical to ensuring our local agricultural producers can continue to thrive and provide economic opportunities to our Central Oahu community.

Finally, the legislature was able to pass a historic tax relief package that will have generational impact for Hawai'i's families. HB2404 was designed to reshape two fundamental pillars of Hawai'i's tax framework over a transformative seven-year period: the standard deduction and income tax brackets. Starting 2024,

this legislation will steadily increase the standard deduction, thereby lowering a families' taxable income. Recognizing that low and medium-income households often forego itemizing deductions, this measure is especially tailored to alleviate their burden. Notably, for joint filers, the standard deduction will surge from \$4,400 to a substantial \$24,000 by 2031. Furthermore, in 2025, 2027, and 2029, the bill will adjust tax brackets, reducing rates tax rates and phasing out the lowest brackets to account for higher wages and inflation.

By 2031, a family of four with a household income of \$88,000 stands to see their take-home pay go up by \$3,613. Under the current tax system, this family would be paying \$5,086 in taxes. The tax reforms in HB2404 will shrink their tax obligation to \$1,479 in 2031.

I look forward to continuing to work on your behalf on these critical issues of economic development, education, and local agriculture in the years to come.

A Message From SENATOR MICHELLE KIDANI

Aloha Mililani Community,

As we transition from the bustling activities of the 2024 legislative session, I've had the pleasure of celebrating achievements across our vibrant communities in Mililani, Waipahu, and Pearl City. I am continually impressed by the dedication of our Hawai'i State Department of Education (DOE) faculty and staff, whose commitment ensures the success of our students. I had the honor of recognizing our outstanding students with the 2024 Kidani Awards. I enjoy this opportunity every year at many local elementary schools, including Kanoelani, Kalei'opu'u, Mililani Waena, and Honowai, underscoring our commitment to academic excellence.

I'm happy to share the significant progress made during this past legislative session regarding educational funding and community support. Here is a list of key legislation passed this year that aims to enhance student learning and the quality of life in Hawai'i:

SB2475 SD2 HD2 CD1: RELATING TO EDUCATION

This measure establishes a Harm to Students Registry for all early learning programs and K-12 educational institutions within the State. The registry will contain information about school employees, contractors, or volunteers who have been found to have inflicted harm on a student after an investigation. It is important for our keiki to receive education in a safe and secure environment. However, there has been a concerning increase in the number of individuals accused of harming children who still manage to obtain employment at other educational institutions, threatening the safety of children and school communities. This measure promotes safer learning environments and holds accountable those who have committed such heinous acts by preventing them from securing employment at other educational institutions.

HB2404 HD1 SD1 CD1: RELATING TO INCOME TAX

This bill increases the standard deduction amounts and adjusts income tax brackets which designate how much tax is owed for different levels of income, every two years from 2025 to 2031.

This will be biggest tax cut in the state's history benefiting working families beginning with the 2024 tax return.

SB2305 SD2 HD2 CD1: RELATING TO MISSING PERSONS

This bill establishes a Silver Alert Program within the Department of Law Enforcement to help locate and safeguard missing persons who are kūpuna aged sixty-five years of age or older, cognitively impaired, or developmentally disabled.

SB2476 SD2 HD2 CD1: RELATING TO DENTAL HYGIENISTS

To make tooth decay prevention among Hawai'i's children a priority, we must take proactive steps. This measure authorizes licensed dental hygienists to perform preventive dental sealant screenings and apply preventive dental sealants in a school-based oral health program.

SB2074 HD2 SD1 CD1: RELATING TO KAIAPUNI EDUCATION

Ka Papahana Kaiapuni schools of the DOE provide students with Hawaiian bicultural and bilingual education. Currently, there are 22 Ka Papahana Kaiapuni schools offering Hawaiian language immersion education. This measure ensures sufficient staff for both new and existing Ka Papahana Kaiapuni schools by allocating \$3.5 million for fiscal year 2024-2025, including funding for three full-time-equivalent curriculum specialist II positions and 10 full-time-equivalent classroom teacher positions.

SB2943 SD2 HD1 CD1: RELATING TO WORKFORCE DEVELOPMENT

This measure establishes a commercial drivers workforce working group within the Department of Transportation to address the workforce shortage of commercial drivers license (CDL) drivers in the State. Due to the critical role that CDL drivers play in the State's infrastructure, this measure will establish a working group to address the scarcity and availability of CDL drivers and requires a report of its findings and recommendations.

These legislative efforts embody our dedication to building a robust educational system that supports both educators and students alike. Our investments reflect our commitment to creating a nurturing environment for our children and providing the resources our teachers need to succeed.

This year, the Mililani district also benefited from Capital Improvement Projects, which include:

Mililani Uka Elementary—\$1,500,000 for design and construction of telecom improvements, including upgrading the telecommunication system used for safety drills, active shooter incidents, and daily announcements.

Kanoelani Elementary—\$150,000 for construction to install light poles with floodlights. The campus is incredibly dark, and lighting will be important as we use the new covered stage area towards the back of campus, leading from the cafeteria.

In closing, I extend my deepest aloha to our Mililani High School graduating class of 2024. It was heartwarming to celebrate our graduates at the Stan Sheriff Center as we cheered on our seniors on this momentous occasion. It was incredibly inspiring to see friends, family, and community members gather to celebrate the successes of these graduates, a testament to their incredible resilience and dedication, as well as the collective support of their families, teachers, and staff.

Congratulations, Mililani High School class of 2024! Your hard work, tenacity, and brilliance are invaluable qualities that will serve you well in your future pursuits. Best wishes in this exciting next chapter—we are all behind you!

Hail, hail, hail, Trojans!

A Message From REPRESENTATIVE TRISH LA CHICA

Dear Mililani Neighbors,

It's hard to believe that nearly two years have passed since I began serving as your Representative in the State Legislature, representing the beautiful communities of District 37 — encompassing parts of Mililani Town, Mililani Mauka, Waipio Gentry, and Koa Ridge.

2024 Legislative Session. My legislative agenda for 2024 was shaped by direct input from our community, addressing urgent issues raised by constituents in Central Oahu. Here are some key highlights:

- HB1767 and HB2082 aimed to tackle the challenges stemming from the shortage of school bus drivers, a crisis particularly affecting schools in Central Oahu such as Mililani High School and Pearl City High School. Responding to community concerns and advocacy efforts, we've restored one school bus route. HR171 urges the Department of Education to develop a comprehensive plan for the reinstatement of canceled school bus service routes, mandating a Report to the Legislature before the 2025 Session.
- HB2083 focuses on improving school meal programs, a bill championed by Mililani High School students and faculty. It aims to meet the local farm-to-school meal goal of 30% by 2030 while introducing a plant-based meal option for students, aligning with broader sustainability objectives.
- HB2084 establishes a task force to coordinate cleanup operations of vacated homeless encampments on lands managed by government agencies. Additionally, the Legislature allocated \$5 million to fund the stored property and debris removal program.

This year, I'm honored to serve as Vice Chair of the House Committee on Education. We've reviewed numerous measures aimed at addressing the most pressing challenges facing our youth, from campus safety and bullying to early childhood education and workforce preparation. I'm dedicated to ensuring every child in Hawaii has the opportunity to thrive.

Capital Improvement. I am also delighted to report on the funding we have secured for our district:

- \$1,500,000 for Mililani Uka Elementary for telecommunication systems upgrade and improvements
- \$6,000,000 for Mililani High School for a multipurpose covered play court
- \$750,000 for Mililani Middle School for play court surfacing replacement and waterproofing of retaining wall
- \$150,000 for Kanoelani Elementary for campus-wide security lighting improvements
- \$500,000 for Kanoelani Elementary for restroom facilities for special education students
- \$5,000,000 for the University of Hawaii West Oahu for the

installation of photovoltaic (solar) carports to increase energy efficiency campus-wide

- \$400,000 in GIA funding for replacement of light poles, AC unit and thermostat, and wall partition for the Hawaii Okinawa Center

Constituent Requests. Our office remains committed to promptly addressing every call, email, and letter we receive. Over the past few months, we've assisted constituents with various requests, including street safety improvements, tree and grass trimming, e-bike concerns, Mililani Mauka fire concerns, air quality monitoring, speeding issues, public assistance benefits, road signs and condition repairs, and cleanup requests. As of May 2024, our office worked on a total of 123 requests, with 97 completed, and 26 in progress.

Community Events. We've also hosted several community engagement events over the past year, aiming to bring our community together on various issues. I want to extend my gratitude to the 350+ residents who have participated:

- July 2023: Reimagining Public Safety Community Talk Story with HPD Chief Joe Logan
- Aug 2023: Community Meeting: School Bus Service Cancellation
- Dec 2023: Wildfire Prevention and Disaster Preparedness Workshop
- March 2024: Show Aloha Sign Waving for Public Safety
- April 2024: Community Talk Story – Power Outages, Healthcare Updates to Wahiawa General, and Keeping Our Community Safe (drugs, e-bikes, and fire safety)

Kipapa Gulch Cleanup. One notable achievement this year was our involvement in finally clearing the Kipapa Gulch homeless encampment! On December 6, 2023 my office, along with the U.S. Army Garrison Hawaii (USAG-HI) and the Hawaii Department of Transportation (HDOT) joined forces to clear a total of 19 tons or 38,000 lbs of rubbish from the site, which involved shutting down the southbound direction of Kamehameha Highway. This action addressed community concerns regarding public safety and environmental health, and we facilitated connections between individuals from the encampment and support services provided by Achieve Zero over several months.

Stay Connected. Now that the legislative session has concluded, I have more time to spend in our community, addressing concerns, conducting outreach, and hosting events. Stay informed about the latest updates and events from my office by visiting www.reprishlachica.com and signing up to receive our newsletter.

Lastly, I value my role as your State Representative and would appreciate your feedback on my performance. Your input is invaluable as I strive to effectively serve our community. You can respond to the survey by visiting: <https://bit.ly/RepTLCSurvey2024>

Thank you once again for the opportunity to serve you, and please feel free to contact my office at replachica@capitol.hawaii.gov or call us at 808-586-6150 for any assistance. I look forward to hearing from you.

With aloha,

MESSAGES FROM ELECTED OFFICIALS

A Message From REPRESENTATIVE LAUREN CHEAPE MATSUMOTO

The 2024 Hawai'i State Legislative Session has now adjourned. I am reflecting on the collaborative efforts and initiatives aimed to improve the lives of our residents across the state addressing the high cost of living and housing, fostering job growth, strengthening our communities, assuring public safety, driving government reform, and prioritizing Maui's recovery.

We worked together and rallied behind important legislation; from homeownership assistance, GET exemption for medical services, and the largest income tax cut in state history. We supported bills that addressed kupuna care, the State's pressing homeless challenge, and working families that need childcare. Additionally, we've allocated funds to strengthen early workforce development in schools and colleges statewide.

While we've achieved progress, there's still more work ahead. I'm thrilled to highlight some significant achievements from this legislative session. My bill HB2790, relating to housing, has successfully passed its final reading and now awaits the Governor's signature to become law. This legislation reactivates the Hula Mae single-family loans program, helping first-time homebuyers achieve homeownership. Furthermore, my resolutions have been adopted, each contributing to the benefit of our community. HR5, advocates for the establishment of a new satellite city hall in Mililani. HR12, calls for the development of an emergency road for residents of Mililani Mauka. HR9, seeks to address ecological damage caused by the Mililani Mauka wildfire by encouraging the implementation of native plant seeding projects. Additionally, I introduced HCR59 to make our community safer by tackling dangerous e-bikes and dirt bikes. These legislative measures represent my commitment to addressing the needs of Mililani and Mililani Mauka, fostering a safer, more sustainable future for our district.

I extend my heartfelt gratitude to all of you for your active involvement and dedication to improving our community. Your voices, ideas, and concerns have been invaluable throughout this legislative session. Through my Mid-Session Survey, we collected feedback, with 703 completed surveys. Your active participation is a testament to the strength of our democracy, and I encourage you to view the survey results on my website, www.RepMatsumoto.com, by clicking on the information tab.

We stayed involved with our community through several events, facilitating two successful Town Halls this session. The first focused on ensuring Mililani's safety after the October fire in Mililani Mauka, with DOT outlining the emergency road plan. The second provided updates on bills and organized breakout groups to discuss bills moving through the legislature and having breakout groups to have conversations about concerns in the community. Furthermore, we organized our Capitol Talk & Tour with over 100 attendees! Special thanks to Lieutenant Governor Sylvia Luke for hosting us and Governor Josh Green's Office for the warm welcome. For everyone who attended, it was a pleasure to guide you through the Hawaii State Capitol, share a brief history, and discuss the 2024 Legislative Session.

In celebrating achievements beyond legislative matters, I had the privilege of honoring the 2024 Mililani High School Sports Champions: the Varsity Boys Soccer team's flawless 16-0 record

and state championship, Belise Swartwood's win in the HHSAA 200 and 500 freestyle, and Jerusalem Moku Jackson's victory in the HHSAA 190 lb. weight class. The dedication and skill displayed by these students exemplify the spirit of excellence that defines our community.

To the 2024 Mililani High School graduating class, congratulations on this momentous achievement. Your hard work and achievements have led you to this significant milestone, and I am immensely proud of each of you. Reflecting on my own graduation from Mililani High School in 2005, fills me with nostalgia and excitement for the journey that lies ahead for you. The education I received at Mililani not only prepared me for the future challenges but also provided me with the extraordinary opportunity to represent our beloved hometown in the Hawai'i State Legislature. Once again, congratulations on your graduation, and may your future be filled with aloha, exciting experiences, and boundless success!

As we look to the future, let us remain dedicated to creating a brighter future for all residents of Hawai'i. With gratitude and humility, I am honored to serve as your State House Representative.

Very Respectfully,
Lauren Cheape Matsumoto

A Message From COUNCILMEMBER VAL AQUINO OKIMOTO

Aloha Friends and Neighbors,

I would like to extend my heartfelt congratulations to all of our Class of 2024 graduates. Your efforts, persistence, and commitment have led to this important accomplishment, and you should feel very proud of all of your hard work. I have no doubt that you will all go on to achieve great things in the future and make significant contributions to our society.

Graduation marks the beginning of a new chapter in your lives, and I encourage you to embrace this transition with enthusiasm and optimism. A special mahalo to the many teachers, parents, family members, and friends who have supported our graduates. It is so often said that it takes a village to raise a child. Thank you for surrounding our future leaders with love and support. Ho'omaika'i and best wishes for the future.

In March, Mayor Blangiardi presented a balanced City budget to the Honolulu City Council which took effect on July 1, 2024. The FY25 operating budget totals \$3.63 billion. Notable appropriations include \$844.7 million (23.27%) for miscellaneous costs such as retirement and healthcare for public workers, debt service on public bonds at \$677.6 million (18.65%), and public safety programs, including the police and fire departments at \$626.6 million (17.25%). In addition, \$427.7 million (11.77%) was allocated for mass transit including TheBus, Skyline, and Handi-Van.

Mayor Blangiardi established specific goals for all City agencies to aggressively recruit and hire the talent and skilled leadership necessary to drive economic recovery, provide exemplary core services and improve the lives of O'ahu residents. Also

in March, the Mayor and Honolulu Police Department (HPD) announced a \$25,000 hiring incentive for new recruits and lateral transfers, which has resulted in a significant increase in applications. As Chair of the Committee on Public Safety, I will continue to work with the Mayor and HPD to ensure the City hires the best candidates for our first responder agencies.

The Mayor's FY25 capital improvement project (CIP) budget totals \$919 million and focuses on core services such as sanitation, highways and streets, and parks. A full list of approved CIP projects can be found by visiting: <https://www.honolulu.citycouncil.org/district-8-okimoto>, and by viewing my July 2024 newsletter.

In May, the Council considered three proposals that I introduced:

- Resolution 24-116 – Charter amendment to create a Homeless Solutions Advisory Council for the purpose of ensuring a coordinated and collaborative approach to making homelessness in the city rare, brief, and non-recurring;
- Bill 26 (2024) – Designates the month of May as "Honor Our Kūpuna Month" to complement the federal "Older Americans Month," and to recognize and honor the great wisdom, generational knowledge, and substantial contributions of the beloved kūpuna of O'ahu; and
- Bill 28 (2024) – Expands the existing disabled veterans property tax exemption to apply to veterans who are 80 percent to totally disabled due to injuries received while on duty as a member of the armed forces of the United States. Provides a partial property tax exemption for disabled veterans who are less than 80 percent disabled.

My office continues to work closely with the city's Department of Transportation Services (DTS) to locate an appropriate site for an emergency egress route out of Mililani Mauka. DTS has been working with the state Department of Transportation to ensure this route has access to H-2. While still in the preliminary planning stages, I am optimistic a final route will be determined by the end of the year.

Finally, my office has received a number of constituent concerns related to the use of e-bikes in Mililani. As a reminder, e-bikes are treated like regular bicycles and must be registered. Children under the age of 15 are prohibited from operating e-bikes and children under the age of 16 are required to wear helmets. Further, the Department of Parks and Recreation has informed my office that the use of e-bikes in parks not designated for biking is prohibited. HPD will continue to enforce existing law and city ordinances to ensure compliance.

Should you have any questions or concerns, please do not hesitate to reach out to my office by calling (808) 768-5008 or by sending an email to valokimoto@honolulu.gov. Wishing you all a wonderful summer.

HOMEOWNER ASSESSMENTS

The MTA quarterly assessment is collected in accordance with Article VI, Section 6.02 of the Mililani Town DCCR. **Assessment due dates are January 1st, April 1st, July 1st, and October 1st in the amount of \$145.00 per quarter (effective April 1, 2022).** Quarterly reminder notices are sent to homeowners. A \$10.00 late fee will be charged if payment is not received by the 10th of the month that payment is due.

There are 5 ways to pay your assessments:

1. **SurePay Payment Plan** - SurePay allows your bank to automatically, electronically transfer your quarterly assessment payments from your checking or savings account through Automated Clearing House (ACH) to MTA. Fill out a SurePay form and turn it in to one of our business offices or send it to surepay@mililantown.org. Submit a voided check with your form.
2. **Pay Online** - To safely pay your assessment online, homeowners must go through the official MTA website (www.mililantown.org). Once on the official MTA home page, click on "Pay Assessments" in the top menu bar and you will be directed to the online payment page. Payments made through any other website is not recommended and are not guaranteed by MTA.
3. **Pay in Person** - Payments may be made at the Admin Office, Rec Center 3 or 7 Business Offices during their regular business office hours. Please bring your remittance stub with you when you make your payment.
4. **Use Our Secure Drop-Box** - There is a drop-box located inside the administration office and is only available during regular business hours.
5. **Pay by Mail** - To avoid late fees, please allow ample time for mail delivery and for your payments to post as received.

DOWNLOAD THE SUREPAY FORM AT:

mililantown.org/for-residents/assessments/

Homeowners with multiple properties must submit a separate remittance stub and payment, for each property address.

- If you are mailing a check with the remittance stub, please mail it to: Mililani Town Association, P.O. Box 29380, Honolulu, HI 96820-1780. This is a "Lockbox" service through Bank of Hawaii. Only the payment will be processed.
- If you are mailing a check without the remittance stub or with the remittance stub and other correspondence or enclosures (such as name or mailing address changes), please mail it to:

Mililani Town Association
95-303 Kaloapau Street, Mililani, HI 96789

2024 Q3 NOMINEES

**Susan Yanabu Ihle, Agent**

Phone: 808-625-2226

100 Kahelu Ave Ste 102, Mililani Tech Park
www.susanihle.com

In an effort to recognize homeowners who keep their yards looking beautiful, which enhances their neighborhood, our Covenant Specialists will nominate front yards that catch their eye. There will be six yards nominated each quarter.

The winner will receive \$400 in cash or cash equivalent from the Yard of the Quarter sponsor.

There is no limit to the number of times a yard can be nominated, but a yard can only win once per year. To be eligible to be nominated, the property must be owner occupied and in good standing with the Association. In addition, the owner must agree to have a picture of their yard shown in the MTA newsletter and on the MTA web site. The winner will be published in a picture with the Sponsor and nominating Covenant Specialist.

Q2 April - Nominees | June - Winner

Q3 July - Nominees | September - Winner

MONTHLY COVENANTS INSPECTIONS

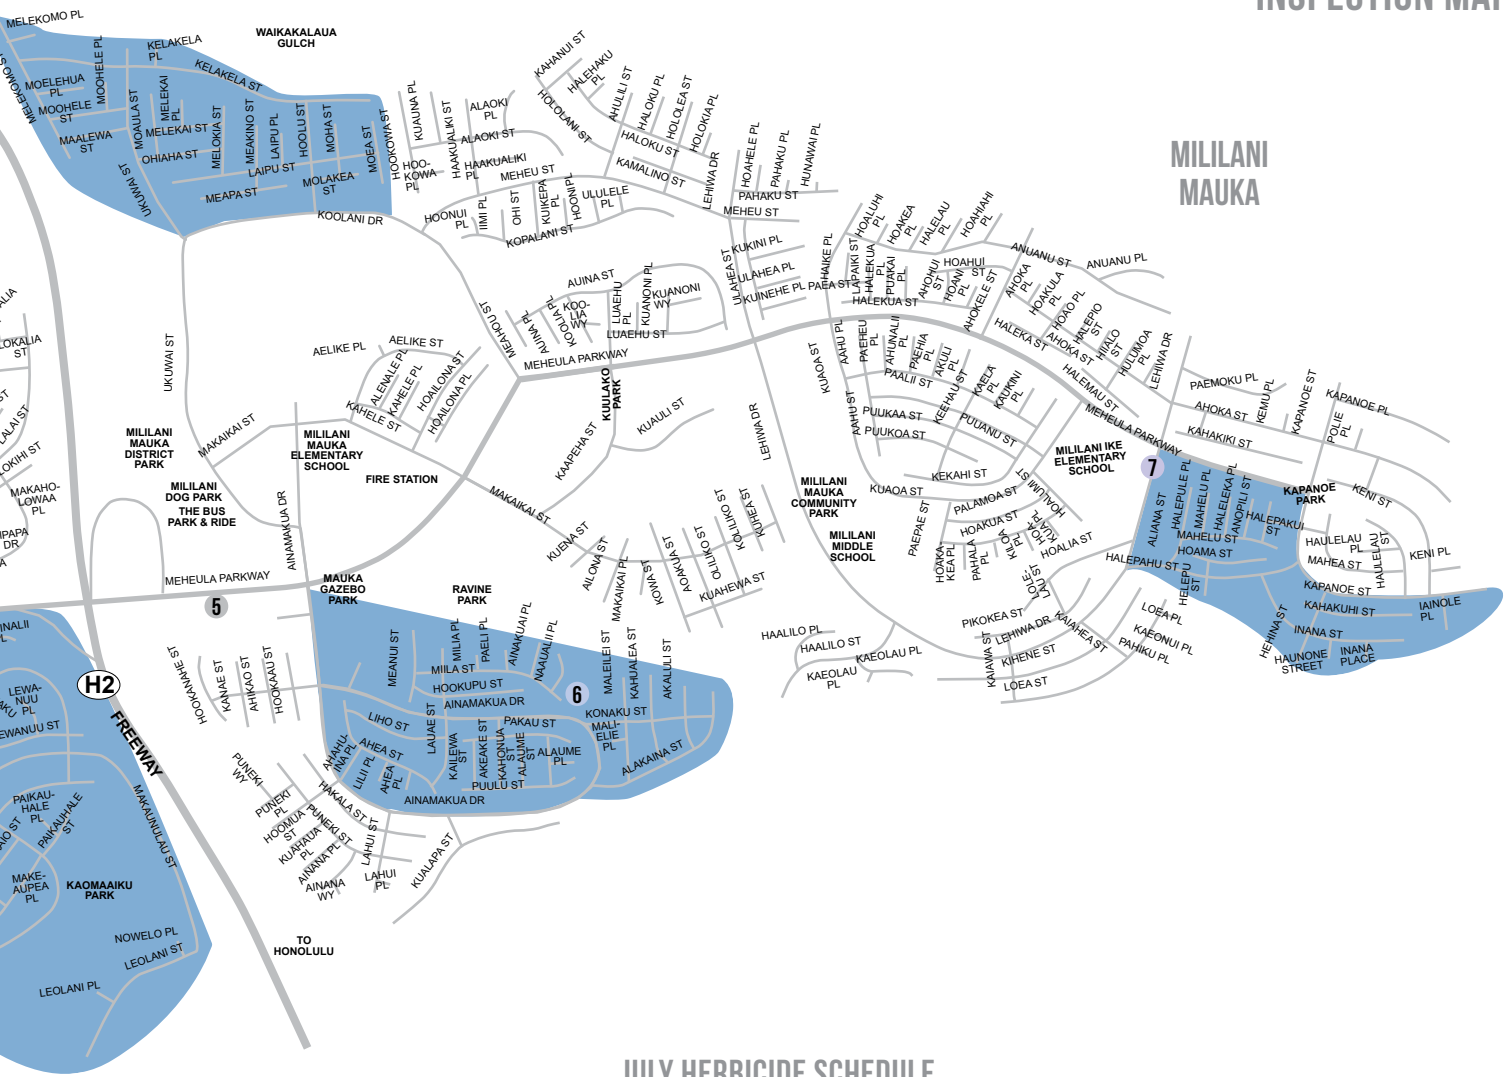

In an effort to be proactive with our homeowners, MTA wants to inform everyone of the areas that are being inspected each month. The areas highlighted on this map are the areas scheduled for routine Covenant inspections for this month.

We hope to reduce the amount of violation letters we have to send out, by giving you an advance notice of where we will be. We are not trying to do our inspections in secret. We may be seen in an area that is NOT scheduled for a routine inspection. The reason is usually because we have a re-inspection, a complaint or a design project inspection in that area. Please remember, if you have any questions, please feel free to ask. We are very friendly and very willing to talk to you.

HERO
HERO FIRE PROTECTION

On the night of your fire, one of two things is going to happen:

YOU GET OUT... OR YOU DON'T.

Chances are, you currently have a smoke detector that has no problem alerting you to white, cooking smoke. But, when it comes to deadly, black smoke, studies show that the same smoke detector in your home has been proven to fail at an alarming rate. And, in most cases, the smoke detector that you depend on to protect your family will simply melt off of the wall due to the extreme temperature of a life-threatening fire.

Do you want a smoke detection system that might work or an **ADVANCED SMOKE and HEAT sensing system that WILL WORK?**

TIME SAVES LIVES.

Protect your home and family today.
