PRESIDENT'S MESSAGE

Happy October Mililani!

Wishing everyone a safe October! I love this time of year. It starts cooling down and getting a little rainier. Halloween is always a fun time. I love hanging out with my wonderful neighbors and handing out candy to all the kids that come by! Great fun!

I am carrying the "Appreciation" theme forward from last month. I would like to express my deep appreciation for our dedicated staff who have developed and continue to help our young members thrive at our Mililani Town Association Tiny Tots program. Thank you to a Mililani mom who shared her daughter's

Tiny Tots experience with us.

Tiny tots is an amazing program that my family enjoys. My daughter, looks forward to Tiny Tots or "School" as we call it. We recently started in May and we noticed a big difference in her learning thanks to Ms. Jess, Ms. Cori and Ms. Sheena. My daughter is able to recite her alphabets and sings all the circle time songs. It takes a village to raise children and I am so happy to have them three part of the village in shaping and caring for her and the other tots.

My daughter loves tiny tots in the kitchen and I hope they are able to continue these lessons. Tiny tots in the kitchen give children the opportunity to learn, grow and be creative. The fruit salad activity allowed her to cut her own fruit with assistance from an adult and try new fruits. The cupcake decorating activity next week will allow her and others to be creative and express themselves in their own way.

The new activities like field trips 10/10 are amazing! We like having class at the rec centers but it is nice to go out and get a change of scenery. We like Rec 5 especially having the speaker system to hear important announcements. I personally also like how the next month calendar comes out early so I can plan accordingly.

She also loves how there are new toys/activities to play with. The toy rotations and play stations allow the kids to learn to share and utilize communication skills to work together. If you need any toys or funding for new items we would love to help in any way possible.

Ms. Jess, Ms. Cori and Ms. Sheena are doing amazing and we wish tiny tots was more than two days a week. Our family loves the Tiny Tots program and can't wait to see what else is to come in the future.

Thank you, Mililani Town Association staff, for caring about our community. You are one of the things that make Mililani the best place to live!

Aloha,
Bob Barrett

LEARNING IS A NATURAL AND JOYFUL PROCESS

Rainbow School Mililani licensed by the State of Hawaii and accredited by the National Association for the Education of Young Children (NAEYC) has been in operation since 1995. Our campus is located in the heart of Mililani and includes interactive classrooms with spacious outdoor areas. We are licensed to teach children ages 3 to 5 years old.

At Rainbow School Mililani, children learn in a nurturing and engaging environment. Our teachers are dedicated to the idea that learning is a natural process and taken with a positive approach. Our environment provides opportunities that allow children to become more self-directed and build feelings of confidence and competency. Through a variety of developmentally appropriate activities, children will develop skills in many aspects including their physical, social, emotional, and cognitive growth. Their preschool experience will teach them about themselves and the world around them.

Please call or email us at mililani@rainbowschools.com to make an appointment for a campus tour.

Applications can also be download from our website at www.rainbowschools.com. Enrollment applications are accepted throughout the year.

DESIGN COMMITTEE UPDATES

The Approved Roofing Materials List and Approved Artificial/Synthetic Turf List have both been updated and are available on our website at <https://www.mililantown.org/for-residents/mta-rules/>. There has also been an update to the Design Committee Application Form, Addendum Request Form, and the Siding Fill-In Form. These forms are available on our website at <https://www.mililantown.org/for-residents/for-homeowners/> under the Design Committee. You can also pick them up at the Administrative Building and our Business Offices at Recreation Center 3 and Recreation Center 7.

There are a few notable changes to the Design Committee Application Form:

- 1) We now require only one set of plans to be submitted for your proposed project.
- 2) Both the application and plans can be submitted via email to design@mililantown.org.
- 3) If submitting a paint application, physical copies of paint samples are still required unless the colors are from the MTA-approved color board, then no samples are required.

Hopefully, these changes help streamline the submission process and make it more convenient for our homeowners. Please call or email any questions or concerns to our Design Department at (808) 623-7300 or design@mililantown.org.

In an effort to be proactive with our homeowners, MTA wants to inform everyone of the areas that are being inspected each month. The areas highlighted on this map are the areas scheduled for routine Covenant inspections for this month.

We hope to reduce the amount of violation letters we have to send out, by giving you an advance notice of where we will be. We are not trying to do our inspections in secret. We may be seen in an area that is NOT scheduled for a routine inspection. The reason is usually because we have a re-inspection, a complaint or a design project inspection in that area. Please remember, if you have any questions, please feel free to ask. We are very friendly and very willing to talk to you.

Fresh Mililani Grown Organic Vegetables
Free Delivery to your home with min. \$20 order

"I've been searching for a service like Gava Grow for what feels like forever. Having fresh, locally-grown produce delivered right to my doorstep is a game-changer. As someone who strongly believes in supporting local agriculture here in Hawaii, this service is perfect for me. I love shopping at farmers markets, but I don't always have the time on weekends, and it's hard to trust how fresh grocery store produce really is. With Gava Grow, I can easily order my weekly vegetables through their app, and they harvest and deliver my order the same week—no delivery fee! It's exactly what our community needs: young people embracing farming, reducing our dependence on mainland imports, and fostering a more sustainable island. Gava Grow makes it easy to enjoy fresh, organic, and high-quality produce consistently!"

Anj Oto (center), with her family, remembers her grandmother.

This family knows why MAMMOGRAMS MATTER.

Anj Oto is a third-generation breast cancer survivor. Identified as high risk, she was screened early and her cancer was detected while it was more easily treatable.

It's recommended all women get a mammogram every year starting at age 40, or younger if there's a history of breast cancer in your family. Schedule your mammogram today at one of our medical centers or clinics. Women who get a mammogram in October at one of our locations will receive a special gift, while supplies last.

We make it easy with online scheduling at HawaiiPacificHealth.org/Mammogram.
