PRESIDENT'S MESSAGE

Welcome to 2025 Mililani! I hope your new year is filled with health, happiness and good fortune!

A couple of interesting projects took place late last year. First, the gutter around the pool at Rec 2 was rusting. It was stainless steel but the pool being one of our saline pools, it started to affect the metal. We were discussing what to do to try and slow down the deterioration process or is it something we need to budget for replacement in the future? We did internet research and found a local company that deals with Laser Ablation Rust Removal. It's like science fiction! It worked so well! The stainless steel looks brand new!

Another project we recently worked on to try and improve was the leaking water slide at Rec 1. The slide is a series of resin tubes that are attached together and there were many spots that were leaking water. Not only was it a waste of water, but it was also starting to kill the grass on the hillside, which would lead to erosion. We found a company that was able to thermally fuse, or weld, the seams together. They claimed that it would permanently seal the attachments and stop the leaks. I am pleased to report that it did! The slide is back up and running and it is not leaking any more. Another successful endeavor!

I speak for your entire board of directors and all of your MTA staff when I wish you a very Happy and Healthy New Year!

Aloha,
Bob Barrett
MTA Board President

mta Yard of the Quarter

2025 Q1 NOMINEES

MAHALO TO OUR FIRST QUARTER SPONSOR:

Elizabeth C. Makanani RB-16862
 REALTOR, BS FINANCE
 (808) 294-0810
beth.makanani@islandproperties.com

In an effort to recognize homeowners who keep their yards looking beautiful, which enhances their neighborhood, our Covenant Specialists will nominate front yards that catch their eye. There will be six yards nominated each quarter.

The winner will receive \$400 in cash or cash equivalent from the Yard of the Quarter sponsor.

There is no limit to the number of times a yard can be nominated, but a yard can only win once per year. To be eligible to be nominated, the property must be owner occupied and in good standing with the Association. In addition, the owner must agree to have a picture of their yard shown in the MTA newsletter and on the MTA web site. The winner will be published in a picture with the Sponsor and nominating Covenant Specialist.

2025 YARD OF THE QUARTER SCHEDULE

Q1 JANUARY - NOMINEES | MARCH - WINNER
Q3 JULY - NOMINEES | SEPTEMBER - WINNER

Q2 APRIL - NOMINEES | JUNE - WINNER
Q4 OCTOBER - NOMINEES | DECEMBER - WINNER

MONTHLY COVENANTS INSPECTIONS

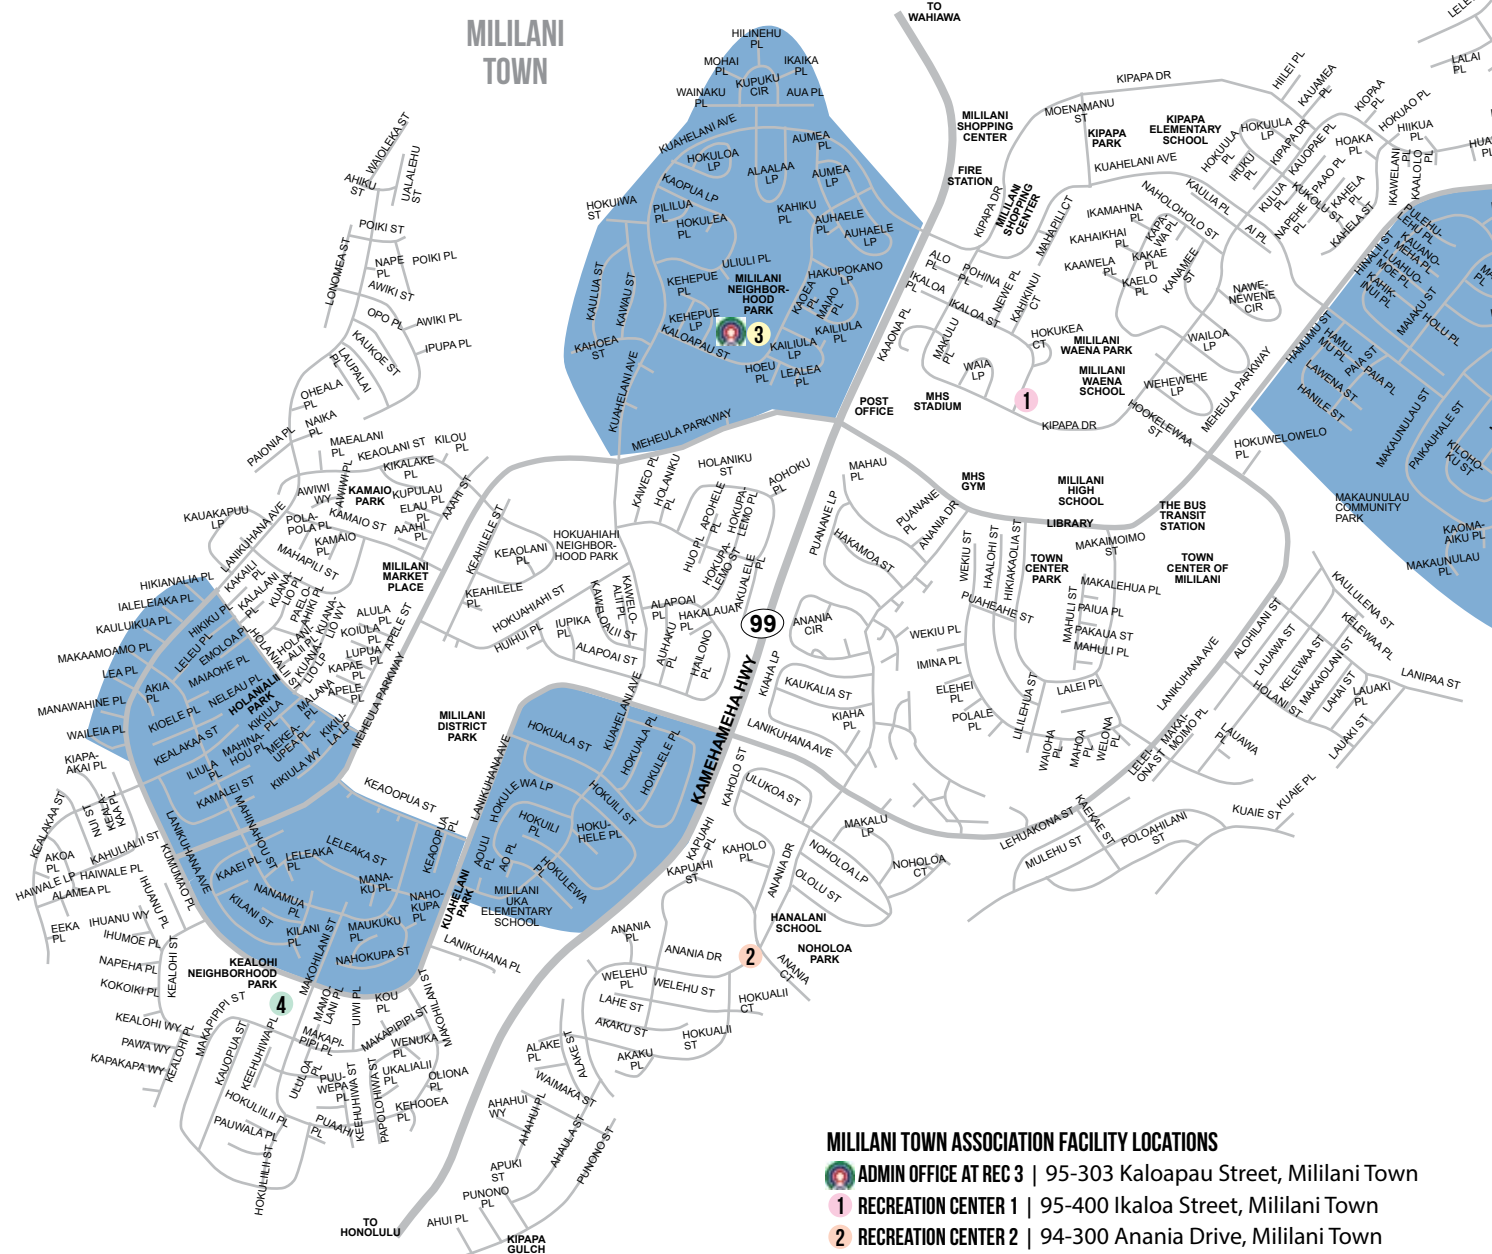

In an effort to be proactive with our homeowners, MTA wants to inform everyone of the areas that are being inspected each month. The areas highlighted on this map are the areas scheduled for routine Covenant inspections for this month.

We hope to reduce the amount of violation letters we have to send out, by giving you an advance notice of where we will be. We are not trying to do our inspections in secret. We may be seen in an area that is NOT scheduled for a routine inspection. The reason is usually because we have a re-inspection, a complaint or a design project inspection in that area. Please remember, if you have any questions, please feel free to ask. We are very friendly and very willing to talk to you.

INSPECTION SCHEDULE (Subject to change):

FREE CHRISTMAS TREE SHREDDING

JANUARY 4, 2025 | Saturday
8:00 am - 12:00 noon
Admin & Rec 7 Parking Lot

MTA has the proper equipment to recycle your fresh Christmas trees and turn them into mulch. Bring them to Admin or Rec 7 Parking Lots on Saturday, 1/4/2025 from 8:00 am - 12:00 noon, or talk to your neighbors about consolidating the trees on your street. If you gather ten or more trees on your street, please call 808-440-2638 and MTA will pick them up.

Please note, City and County does not provide neighborhood pickups. Normal tree disposal is via your green waste bins (the tree needs to be cut up to fit). Makaanulau Community Park (Sixteen Acres) is NOT a designated drop-off point for trees, that service stopped several years ago yet residents in the area continue to drop off trees there. Please kokua and take advantage of MTA's tree recycling service or dispose of your trees properly.
